

## **Our Commitment to You**

We provide health and nutritional products from sources who share our dedication to pure and potent products. There are no dyes, no chemical solvents, no petroleum, and no preservatives contained in any of the products we stock. All products contain only what is disclosed in the list of ingredients. It's that pure and simple.

## **It's Easy to Order**

Our website shopping cart at NaturalHealthSupply.com is available to take your order 24 hours everyday. We accept all major credit cards, Paypal, personal checks and money orders.

Prices in this catalog do not include Shipping and Handling fees. Shipping and Handling is calculated by weight of products ordered and destination. For an estimate, please use our website shopping cart at NaturalHealthSupply.com

Prices in this catalog are subject to change without prior notice. For the most up to date information on our products please visit NaturalHealthSupply.com

## **Fast and Reliable Shipping**

Packages are shipped via US Postal Service Priority Mail in the United States, which takes about 3 to 4 business days to deliver to your address.

All international packages depart from the US via Global Express Mail. Packages sent outside the US are subject to the destination country's Customs laws and taxes.

To monitor shipping status, customers are sent a Shipping Notification email containing Delivery Confirmation Tracking Numbers and instructions for obtaining online package tracking information.

## **Stress-Free Return Policy**

We accept the return of any unopened products within 30 days from the date of purchase. Refunds are processed as soon as the return package is received. Customers have a choice of store credit or refund to credit card account. Refunds do not include Shipping and Handling.

Damaged, defective or incorrectly shipped merchandise are promptly replaced. Contact our Customer Service Department immediately via our toll free telephone number 1-800-936-9962 or email to info@naturalhealthsupply.com

## **A Note to Our Customers**

Did you know that we do no advertising of any kind? Catalogs are sent by request, and email is used only for tracking and order delivery status.

I personally don't like receiving unsolicited catalogs that wind up in the recycle bin. I don't like email spam. That is why you will never get email spam or junk mail from us at NaturalHealthSupply.com.

I think a good business will succeed with word of mouth from happy customers. When I purchase an item, get great service, and absolutely love the product, I tell people about it.

Luckily for us, it is true of our customers as well. Our warm thanks to every customer that has told others about our incredible products and customer service. We cannot do it without you. Happy customers are the key to our success.

Sincerely,  
Jay Moores
